FOREWORD

K.J. RAO

General Secretary,
Foundation for Advanced Management of Elections (FAME),
and Former Advisor, Election Commission of India

Bihar Elections which were infamous for booth capturing and criminalization of Politics have always been of eminent interest to all stake holders in the election process. Association for Democratic Rights (Popularly known as ADR) has been doing yeomen service in educating and guiding the electors to vote for the right person. In order to achieve this objective in the Bihar Elections held in October – November, 2015, the ADR brought out “Mera Vote Mera Bihar” campaign videos, appealing to the Bihar Voters to Vote for honest and clean image candidates by eminent personalities, besides the videos of Aamir Khan.

The ADR has been bringing out regular reports before and after each phase of every election to the Lok Sabha and assemblies of various states in the Country. During the Assembly Elections held in Bihar in October –November, 2015, ADR had brought out 05 Reports for the 05 Phase Election and a combined report, besides 02 Reports on the analysis of assets of re-contesting candidates and another report on the Analysis of criminal and financial background of winning candidates. These reports were of great help for the Political Parties, candidates and electors, besides the media personnel covering the elections.

The present book on Bihar 2015 Assembly Elections gives full data of all contesting candidates including the analysis of criminal, financial and other details of 3450 candidates and 243 MLAs, and also analysis of Election Expenses of 242 newly elected MLAs out of 243 MLAs.

I am indebted to ADR for having given me the opportunity to release one of the Reports in Patna and also to write this foreword to the most valuable informative book.

Asset position in constituency among candidates

As can be seen from the table below, the higher the assets the more are the chances of winning for a candidate. In the Bihar 2015 Assembly Election, 23% of candidates, who declared assets in excess of Rs 5 crore and above have won. On the other hand only 0.1% of candidates with assets less than Rs 10 lakhs could win. The election results seemed to be highly influenced by the money power of candidates.

Value of assets (in Rs)	No of candidates	No of Winners	% of Winners
5 cr and above	154	36	23%
2 crores to 5 crores	282	52	18%
50 lakhs to 2 crores	931	125	13%
10 lakhs to 50 lakhs	1199	29	2%
less than 10 lakhs	884	1	0.1%

Asset position in constituency among candidates and chances of winning

The following table gives an analysis of asset position in constituency among candidates (highest asset to lowest asset) and their chances of winning. In 56 constituencies, candidates with highest declared assets according to their own self sworn affidavits emerged as MLAs. While from 60 constituencies candidates with second highest declared assets won. Thus, the table suggests that it is more likely that people having high assets are elected as MLAs.

Background on Association for Democratic Reforms (ADR) and National Election Watch (NEW)

About ADR & NEW

A group of Professors from Indian Institute of Management, Ahmedabad set up Association for Democratic Reforms in August 1999. They filed a Public Interest Litigation in Delhi High Court in 1999 asking for disclosure of criminal, financial and educational background of candidates contesting elections. Based on this, the Supreme Court in 2002 and subsequently in 2003 made background disclosure mandatory for candidates to disclose in their affidavits criminal, financial and educational background to be submitted to the Election Commission of India.

ADR has been conducting Election Watch since 2002. The first election watch was conducted by ADR in 2002 for Gujarat Assembly Elections whereby detailed analysis of the backgrounds of candidates contesting elections was provided to help the electorate make an informed choice during polls. Since then ADR has conducted Election Watches for almost all state and parliament elections in collaboration with the National Election Watch. There is now an Election Watch chapter present in each state in the country working as a part of National Election Watch.

ADR along with the NEW has also increased its efforts towards increasing transparency and accountability in the functioning of political parties. After a Central Information Commission (CIC)'s order in 2008, it started analyzing and disseminating information on the Income Tax Returns and Donation details of political parties. In 2013, based on a complaint filed by ADR and Shri Subhash Agarwal, the CIC declared 6 national parties as 'public authority' under the Right to Information Act.

As a part of the same effort, ADR has also increased its engagement with political parties with the objective of garnering their support in reforming the political system.

Strategic litigation is another tool employed by ADR to push for required reforms in the political and electoral system. ADR has intervened as well as filed several PILs, some of which have resulted in landmark judgments.

Our Achievements

- **May 2014:** In Ashok Chavan paid news case, the Supreme Court had passed a judgment holding that Election Commission of India (ECI) has the power to disqualify a candidate in relation to filing of false election expenditure statement under Section 10A of RPA. ADR had intervened in the case supporting the stand of the ECI.
- **September 2013:** The Supreme Court ruled that the right to register a "none of the above (NOTA)" vote in elections should apply and ordered Election Commission to provide such a button in the Electronic Voting Machines (EVM). ADR had intervened in the matter.
- **July 2013:** Supreme Court delivered a judgment on a petition filed by Lily Thomas and Lok Prahari NGO, (ADR intervened) setting aside clause 8(4) of the Representation of the People Act, and therefore barring sitting MPs and MLAs from holding office on being convicted in a Court of Law.
- **June 2013:** After over a 2-year-long struggle based on an RTI that was filed by ADR, the CIC delivered a landmark judgment that brought 6 National Parties under the ambit of the RTI Act.

- **December 2012:** ADR/NEW released an analysis of the number of politicians charged with crimes against women. ADR/NEW's recommendations and data was also widely quoted by the Justice Verma Committee in its report.
- **October 2012:** The Election Commission asked the Ministry of Home Affairs to probe violations of the Foreign Contributions Regulation Act (FCRA) and the Representation of Peoples' Act (RPA) by major political parties which reportedly received foreign contributions.
- **June 2011:** After a two-year-long RTI battle, crucial information on the 'Registers of Members' Interest' was finally mandated by the Central Information Commission (CIC) to be available in the public domain in June 2011.
- **January 2011:** Details of the movable and immovable assets of 30 Bihar ministers, including that of CM Nitish Kumar, were uploaded on the government website in January, 2011.
- **Feb 3, 2010:** Prime Minister Manmohan Singh asked his Cabinet colleagues to disclose details of their assets and liabilities and refrain from dealing with the government on immovable property.
- **Jan 25, 2010:** Both the Congress President Ms. Sonia Gandhi and the Leader of Opposition in Lok Sabha Ms. Sushma Swaraj of BJP made public statements calling for a consensus on barring candidates with criminal backgrounds from contesting elections.
- **2009:** The number of total serious IPC sections against MPs decrease from 296 in Lok Sabha 2004 to 274 in Lok Sabha 2009.
- **2009:** A large number of candidates with serious pending cases that contested Lok Sabha 2009 elections like Pappu Yadav, Atiq Ahmed, Mukhtar Ansari, Akhilesh Singh, etc. lost.
- **2008:** Overall, the percentage of candidates with pending criminal cases came down from 20% to 14% in the assembly elections held in the country in 2008 for the states of Rajasthan, Chhattisgarh, Madhya Pradesh, NCT of Delhi and Mizoram.
- **2008:** In the Karnataka Assembly Elections, 2008, there was a reduction in the number of candidates with serious offenses put up by parties. It came down to 93 in 2008 from 217 in the 2004.
- **April 2008:** ADR obtained a landmark ruling from the Central Information Commission (CIC) saying that Income Tax Returns of Political Parties would now be available in the public domain along with the assessment orders.
- **2005:** Bihar Election Watch in October-November 2005 resulted in intense pressure on the Chief Minister Designate due to the extensive media coverage of candidate background. As a result, for the first time, Bihar has a Council of Ministers without any known criminal record.
- **September 2003:** A Bill on Electoral Expenses was passed in September 2003. The EC has taken it one-step forward and asked candidates to file a statement of expenses in every three days during the campaign.
- **May 2002 and March 2003:** ADR won two milestone judgments on disclosure of candidate's criminal and financial records from the Supreme Court. Since then, 1200 NGOs from all over the country are supporting ADR and ADR in partnership with its partners has organized Citizen Election Watch for all major elections.
- **2002:** The Election Commission completed a massive exercise based on the Gujarat Election Watch report to verify information filed by candidates in the nomination papers and affidavits, and has started proceedings against candidates with false declarations.
