Data in this Kit is presented in good faith, with an intention to inform voters. Candidates' affidavits obtained from the ECI website (www.eci.gov.in) with nomination papers is the source of this analysis. Website: www.adrindia.org, www.myneta.info,

- **Party wise Candidates with Criminal Cases:** Among the major parties, **9(69%)** out of 13 candidates analysed from **CPI(M)**, **19(53%)** out of 36 candidates analysed from **AITC**, **19 (53%)** out of 36 candidates analysed from **BJP** and **9 (47%)** out of 19 candidates analysed from **INC** have declared criminal cases against themselves in their affidavits.
- **Party wise Candidates with Serious Criminal Cases:** Among the major parties, **7(54%)** out of 13 candidates analysed from **CPI(M)**, **16(44%)** out of 36 candidates analysed from **BJP**, **14(39%)** out of 36 candidates analysed from **AITC** and **7(37%)** out of 19 candidates analysed from **INC** have declared serious criminal cases against themselves in their affidavits.
- **Candidates with declared cases related to crime against women:** **18** candidates have declared cases related to crime against women.

- **Red Alert Constituencies*:** **13(36%)** out of **36** constituencies are Red alert constituencies. Red alert constituencies are those where 3 or more contesting candidates have declared criminal cases against themselves.
- The **directions** of the **Supreme Court** have had **no effect on the political parties in selection of candidates** in **Phase VII** of the West Bengal Assembly Elections as they have again followed their old practice of **giving tickets to around 26% candidates with criminal cases**. All major parties contesting in West Bengal **phase VII** elections have given tickets ranging from 47% to 69% candidates who have declared criminal cases against themselves. The Supreme Court in its directions dated 13th February, 2020 had **specifically instructed political parties** to give **reasons for such selection** and **why other individuals without criminal antecedents could not be selected as candidates**. As per these mandatory guidelines, the reasons for such selection has to be with reference to **qualifications, achievements and merit of the candidate concerned**. During the recent Bihar Assembly elections held in October, 2020 it was observed that **political parties gave unfounded and baseless** reasons like popularity of the person, does good social work, cases are politically motivated etc. These are **not sound and cogent reasons** for fielding candidates with tainted backgrounds. This data clearly shows that **political parties have no interest in reforming the electoral system** and our democracy will continue to suffer at the hands of lawbreakers who become lawmakers.

Recommendations of ADR:

- To remedy the existing problem of criminalization is to immediately act upon the plausible solutions offered by various committees, civil society and citizens. Supreme Court of India being the ultimate custodian of “Justice and Rule of Law” should reprimand political parties and politicians for their complete lack of will, reprehensible predilection and absence of required laws.
- Permanent disqualification of candidates convicted for heinous crimes like murder, rape, smuggling, dacoity, kidnapping etc.
- Disqualification of persons from contesting elections to the public offices against whom charges have been framed for having committed serious criminal offences punishable by imprisonment of at least 5 years, and the case is filed at least 6 months prior to the election in question.
- Cancellation of tax exemptions given to the political parties who field such tainted candidates.
- Bringing political parties under the Right to Information Act.
- De-register and de-recognise any political party if it knowingly puts up a candidate with a tainted background.
- Political parties should annually file the information on criminal antecedents of their Office Bearers and make such records available to the public, including NIL records.
- Disqualification of candidates furnishing false information in the election affidavit (Form 26).
- Ensure trial of cases in which the politicians are accused to be concluded in a time bound manner.
- Implementation of SC judgment dated 23rd September, 2013 (i.e provision of NOTA buttons on the EVMs) in its *letter and spirit* by ensuring a) if NOTA gets more votes than any of the candidates, none of the candidates should be declared elected, and a fresh election should be held; b) in the fresh election, none of the candidates in the earlier election, in which NOTA got the highest number of votes, should be allowed to contest.
