Analysis of Election Expenditure Statements of MLAs

Maharashtra Assembly Elections, 2014

According to Section 78 of the Representation of the People Act, 1951, every contesting Winner has to lodge a true copy of his election expenses within 30 days from the date of declaration of result of election, with the District Election Officer in all States and Union Territories. Maharashtra Election Watch and Association for Democratic Reforms (ADR) have analyzed election expenditure statements of 285 out of 288 sitting MLAs. One seat in Katol constituency is vacant. This analysis is based on the election expenditure statement submitted by the MLAs after the 2014 Assembly elections and bye elections conducted thereafter.

The expenditure limit for the MLAs during the Maharashtra Assembly elections was Rs.28 lakhs. These election expense documents include *details of expenses on public meeting and processions, campaigning through electronic and print media, expense on campaign workers, expense on vehicles used and expense on campaign materials.*

Recommendations:

- 1. It is recommended that the Abstract Expenditure Statement (Annexure 15) of the MLAs is uploaded on the website of the CEO within 72 hours of the receipt of the statement.**
2. The deadline for filing an election petition against any Winner is 45 days after the declaration of the results. Generally, MLAs submit their election expenditure statements towards the end of the 30 days given for submission of the statements. This leaves 15 days for any common citizen to file an election petition against any Winner. The deadline for filing an election petition should be increased in order to give the citizens time to scrutinize the election expenditure statements of the MLAs and gather the relevant documents/proof etc. for the election petition.
3. As has been instated in the filing of affidavits during the elections, the MLAs should not be allowed to keep any field blank on the Abstract Election Expenditure statement (Annexure 15) and Schedule 1 to 9. The statements must be filled in a legible format and overwriting of amounts in the statement should be discouraged.
