ADR Activities: FY 2023-24

History of ADR

The inception of the Association for Democratic Reforms (ADR) can be traced back to 1999 when a group of Professors from the Indian Institute of Management (IIM), Ahmedabad, anguished by the alarming rise of criminality in the Indian political system, filed a Public Interest Litigation (PIL) in Delhi High Court requesting for the disclosure of the criminal, financial and educational background details of the candidates contesting elections. Based on this, the Supreme Court in 2002, and subsequently in 2003, made it mandatory for all candidates contesting elections to disclose criminal, financial and educational background details prior to the polls by filing a self-sworn affidavit with the Election Commission. In March 2003, ADR was formally registered as an NGO.

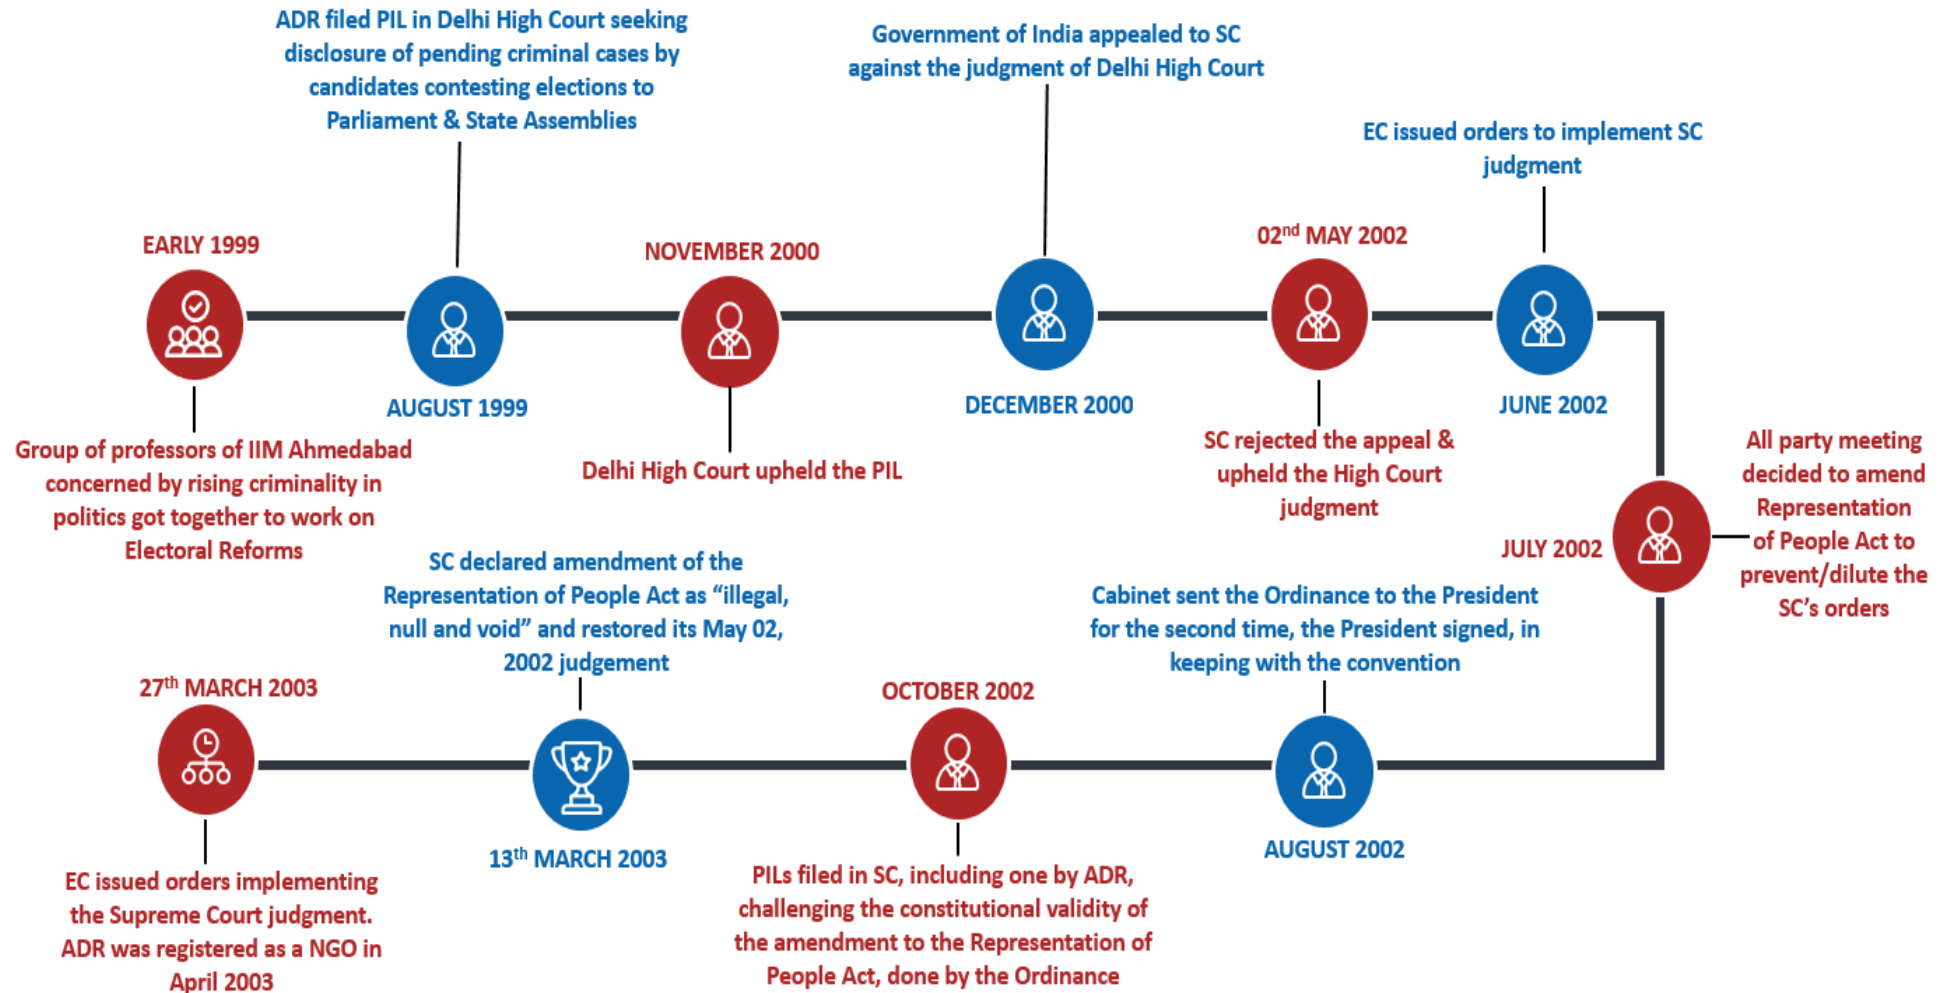

Mission

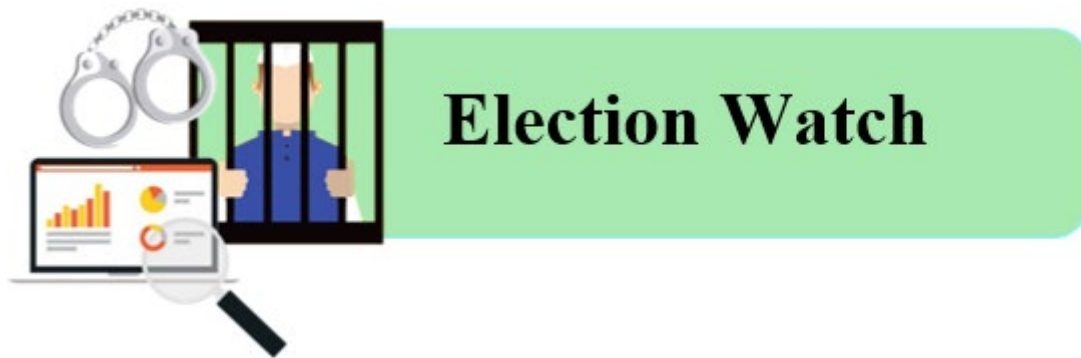

To improve governance and strengthen democracy by continuous work in the area of Electoral and Political Reforms

Focus Areas

- **Corruption & criminalization in the political process**
- **Empowerment of the electorate through greater dissemination of information relating to the candidates and the parties, for a better and informed choice.**
- **Need for greater accountability of Political Parties.**
- **Need for inner-party democracy and transparency in party-functioning**

ADR's Beginning

About: The first Election Watch - the flagship programme of ADR- was conducted in 2002 for Gujarat Assembly Elections whereby detailed analysis of the backgrounds of candidates contesting elections was provided to help the electorate make an informed choice during polls. Since then, ADR has conducted Election Watches for almost all States, Lok Sabha and Rajya Sabha elections. State Election Watch chapters combined are called the National Election Watch (NEW) and along with ADR, their aim is to reach maximum voters.

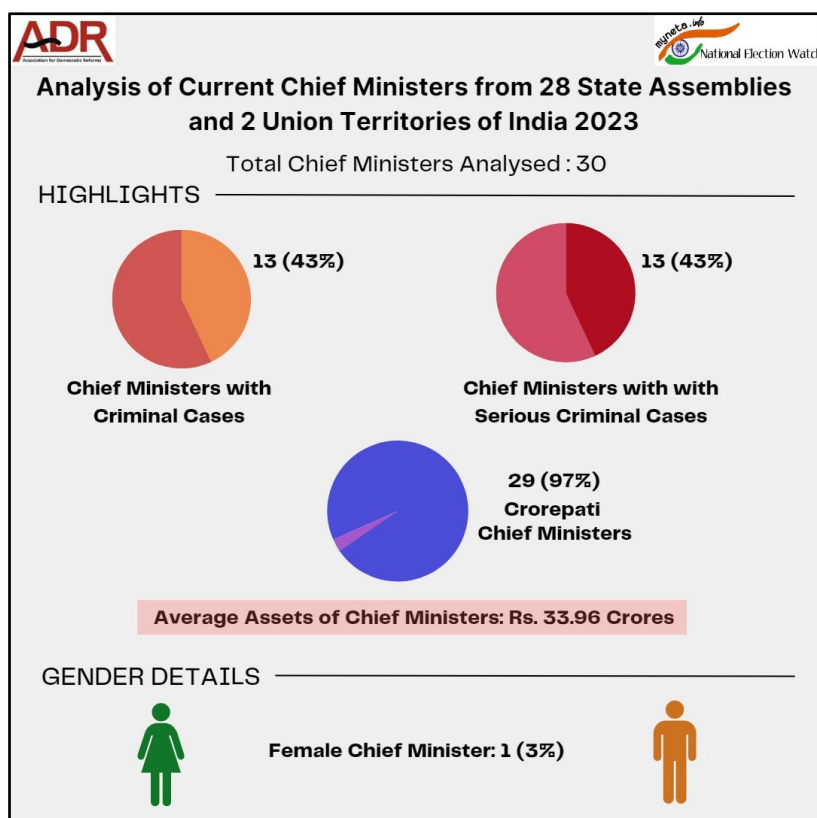

During the FY 2023-2024, Election Watch was conducted for the following elections:

- Rajya Sabha Elections
- Karnataka, Chhattisgarh, Madhya Pradesh, Mizoram, Rajasthan and Telangana State Assembly Elections 2023.
- Bye Elections
- Local Body Elections
- Legislative Council Elections

Political Party Watch

About: As political parties play a crucial role in a democracy, good governance would remain a distant dream without accountability and transparency in the internal functioning and financials of Political Parties. In 2008, ADR started a new program called Political Party Watch (PPW) to thoroughly analyze the Donations Report, Income Tax Returns and Election Expenditure Reports of Political Parties and disseminate the information to the Public. For the verification of the facts and figures, PPW always supports its reports with scanned copies of Income Tax Returns of various political parties (national, regional and un-recognised parties) and RTI applications. These reports have revealed that currently only National Parties and very few Regional Parties file their IT Returns on a regular basis every year.

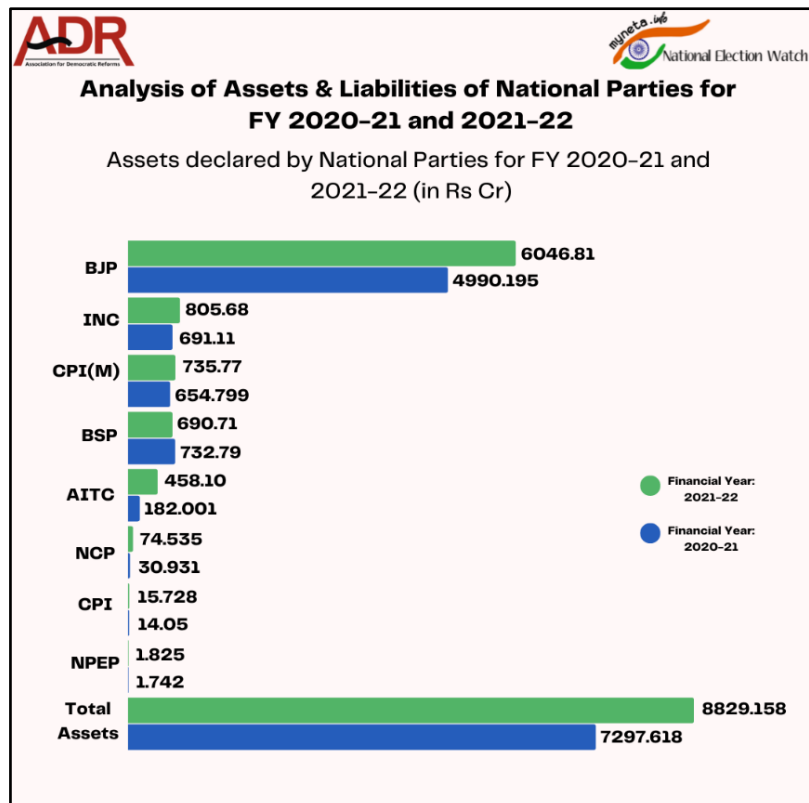

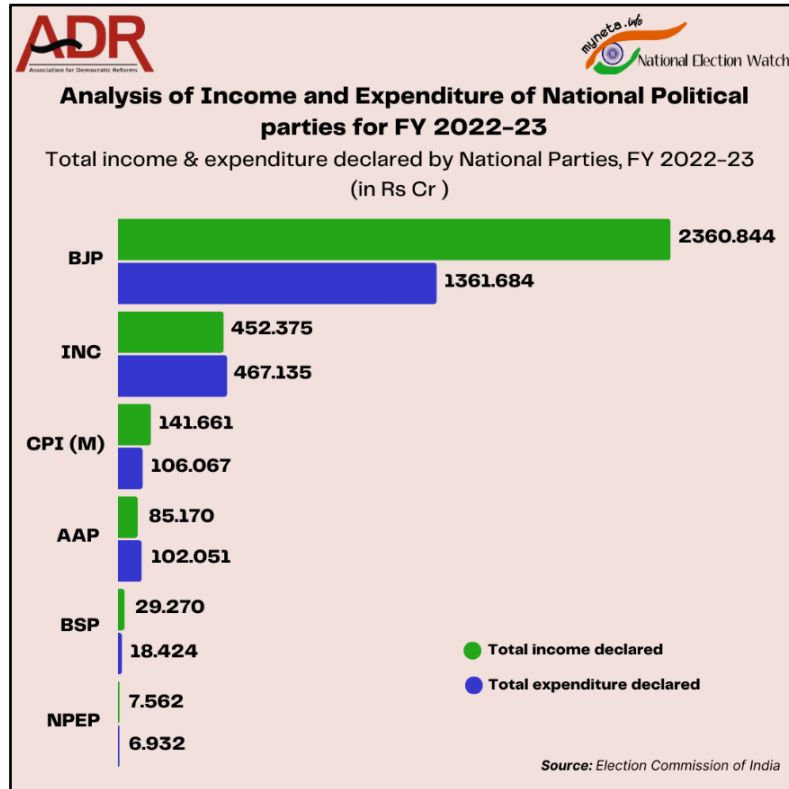

PPW Data Source: Income Tax returns and the donations details submitted to the IT Department and the Election Commission respectively by the political parties themselves.

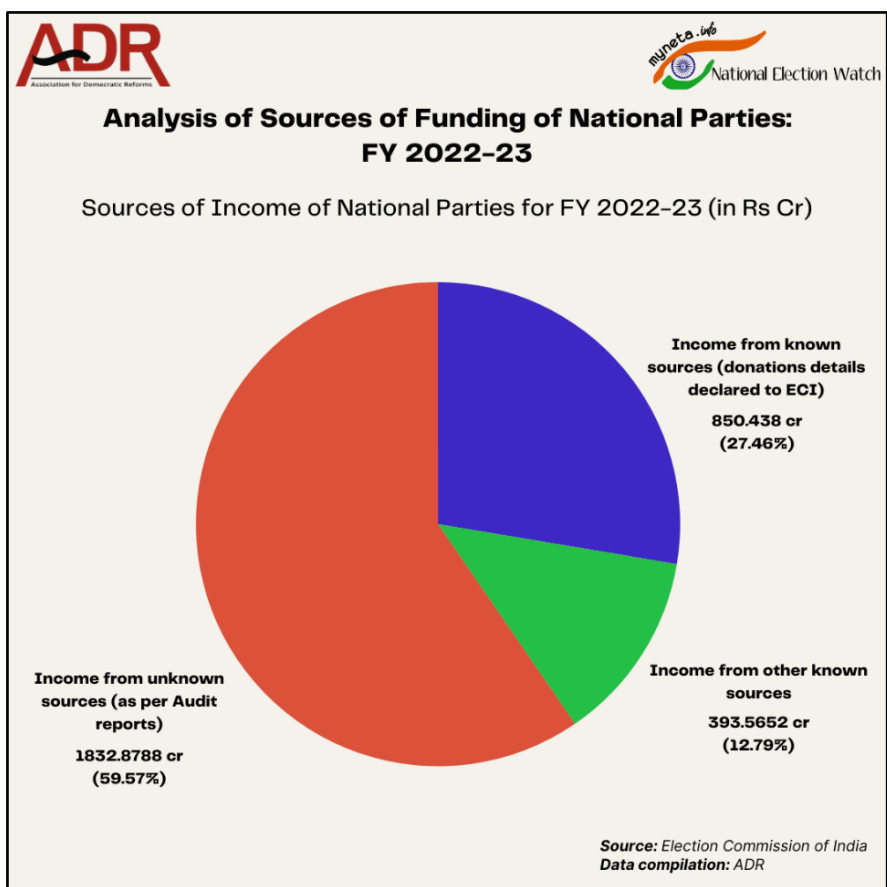

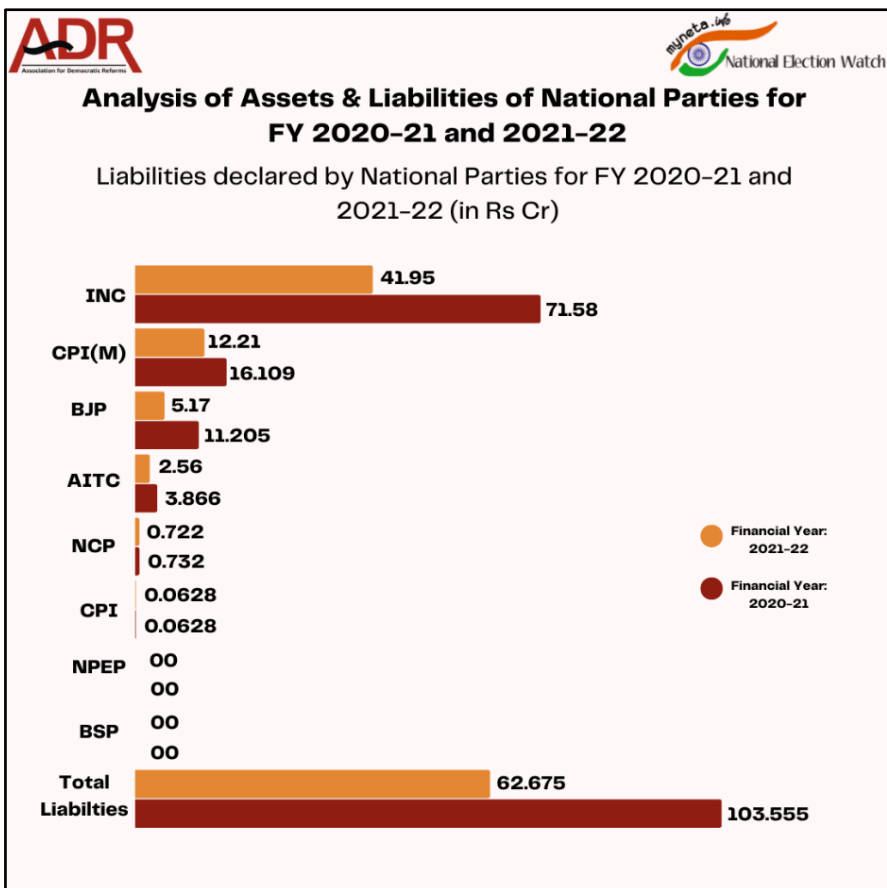

The following analyses on Political Parties were undertaken during FY 2023-24:

Strategic Litigation

About: Strategic litigation is another vital tool through which ADR has been able to create a momentum for required reform in the political and electoral system. ADR has initiated/intervened in several Public Interest Litigations (PILs), some of which have resulted in landmark judgments.

Some of the important PILs filed by ADR are listed below:

A) Petitions filed in the Supreme Court:

I. Petition bringing Political Parties under RTI, W.P (C) No. 333/2015:

Summary: On **03rd June 2013**, the Central Information Commission (CIC) declared six national political parties, namely the INC, BJP, CPI(M), CPI, NCP, and BSP to be “public authorities” under Section 2(h) of the RTI Act, on a complaint filed by ADR and Mr. Subhash Chandra Agrawal but none of the parties complied with the order. Ultimately on 16th March 2015, the CIC said that the RTI Act does not provide the Commission with ample powers to deal with the cases of contempt and non-compliance. On 19th May 2015, ADR filed a petition in the Supreme Court to declare all the national and regional political parties as “public authorities” and bring them within the ambit of the Right to Information (RTI) Act

Current Status: ADR had contended before the Supreme Court that there are several constitutional questions involved in the petitions which have a bearing on the sanctity of the electoral process and therefore, whether it should be referred to a Constitution Bench can be looked at first.

Next date of hearing: Dates of the next hearing not available on the Supreme Court website at the time of going to print.

II. Petition challenging amendments in the FCRA, 1976 and 2010 W.P No. 434/2018:

Summary: On **25th April 2018**, ADR filed a petition in the Supreme Court challenging the amendments made with retrospective effect in the Foreign Contribution Regulation Act, 2010 through the Finance Act, 2016, and Finance Act, 2018, which was passed as a Money Bill. These amendments were seen as an attempt to overturn the judgment passed by the Delhi High Court on 28th March, 2014 holding the two major political parties, BJP and INC, guilty of accepting foreign funding. In addition, the Delhi High Court had ordered the Ministry of Home Affairs (MHA) and Election Commission of India (ECI) to take action against BJP and INC within six months.

Current Status: ADR had contended before the Supreme Court that there are several constitutional questions involved in the petitions which have a bearing on the sanctity of the electoral process and therefore, whether it should be referred to a Constitution Bench can be looked at first.

Next date of hearing: Dates of the next hearing not available on the Supreme Court website at the time of going to print.

III. Petition on voter discrepancies and mechanism of declaration of election result W.P (C) No. 1382/2019:

Summary: On **04th November 2019**, ADR filed a petition in the Supreme Court of India to seek directions from the Supreme Court to order the Election Commission of India to completely stop the practice of announcing election results based on provisional and estimated data, prior to an actual and accurate reconciliation of data. Even for Lok Sabha 2019 Elections, the Election Commission had announced election results in all constituencies on 23rd May 2019, based on estimated data. This is verified by the Election Commission's Press Note dated 01st June 2019 that stated “...***the final data on votes counted has been made available within a few days of declaration of results.....***”

On **27th February 2020**, an application was filed against the ‘mysterious rush and urgency’ shown by the Election Commission of India by destroying the VVPAT slips used in 2019 Lok Sabha elections in just four months after the results were declared. This was in contravention of the rules prescribed under the Conduct of Election Rules, 1961. Rule 94 (b) of the Conduct of Elections Rules, 1961 states that, “the used or printed slips in any election shall be retained for one year from the date of declaration of the results of the election. and shall thereafter be destroyed. ADR’s petition has been pending in the Supreme Court since November, 2019. ADR’s application sought the following directions from the court;

- Not to destroy or dispose of VVPAT paper slips generated in any election in the last one year and to retain the same at least for a period of one year in consonance with the rules of Conduct of Elections Rules, 1961; 2024-25 16
- To retain all other documents pertaining to the 17th Lok Sabha elections held in April, 2019.

On **04th and 09th May 2024**, ADR filed two separate applications in the matter asking the court to direct the ECI to;

- Immediately upload on its website scanned legible copies of Form 17C Part-I (Account of Votes Recorded) of all polling stations after close of polling of each phase in the on-going 2024 Lok Sabha elections;
- Provide tabulated polling station-wise data in absolute figures of the number of votes polled as recorded in Form 17C Part- I after each phase of polling in the on-going 2024 Lok Sabha elections and also a tabulation of constituency wise figures of voter turnout in absolute numbers in the on-going 2024 Lok Sabha elections;
- Upload on its website scanned legible copies of Form 17C Part- II which contains the candidate-wise Result of Counting after the compilation of results of the 2024 Lok Sabha elections;

Current Status: On **24th May 2024**, the matter was adjourned by the Supreme court. Taking a hands-off approach in between elections, the court will hear the application along with the main petition filed by ADR in 2019 challenging the mechanism of declaration of election results based on raw/provisional data prior to an actual and accurate reconciliation of data.

Next date of hearing: Dates of the next hearing not available on the Supreme Court website at the time of going to print.

IV. Petition challenging the constitutional validity of the new law dealing with the appointment of Members of Election Commission W.P (C) 87/2024:

Summary: On **5th February 2024**, ADR filed a petition in the Supreme Court challenging the constitutional validity of '*The Chief Election Commissioner and other Election Commissioners (Appointment, Conditions of Service and Term of Office) Act, 2023*'. The petition states that leaving the appointment of the members of the Election Commission who are critical for our electoral democracy in the hands of the executive would be seriously detrimental to the health of our democracy and for the conduct of free and fair election. The Election Commission should be fearlessly independent and therefore such appointment should only be done by the President of India based on the advice tendered by a committee consisting of the Prime

Minister of India, the Leader of the Opposition in the Lok Sabha and, in case, there is no such Leader, the Leader of the largest party in the Opposition in the Lok Sabha having the largest numerical strength, and the Chief Justice of India.

Current Status:

On **13th February 2024**, the Supreme Court issued notices to the government to file its reply.

On **15th March 2024**, ADR filed an application for grant of stay of the selection and appointment of two newly appointed Election Commissioners. The application stated that the new law on appointment dilutes the judgment of this Court's Constitution Bench in *Anoop Baranwal v. Union of India (2023) 6 SCC 161* by substituting the Chief Justice of India with a Union Cabinet Minister nominated by the Prime Minister in the Selection Committee for the post of the Chief Election Commissioner and the ECs. The application also stated that the current appointment of the two new Election Commissioners were made in contravention of the Supreme Court directions and procedural irregularity, affecting the fairness, transparency and objectivity in the selection process in question. In addition, the Leader of Opposition in the House of the People was not furnished necessary details of the six shortlisted candidates in advance to effectively participate in the selection process.

Based on ADR's application, the court expressed serious concerns on the procedure adopted for selection of the incumbents to the two vacant posts of EC and observed that *such selections should be made with full details and particulars of the candidates being circulated to all members of the Selection Committee*. The court further held that the *procedural sanctity of the selection process requires fair deliberation with examination of background and merits of the candidate*. However, while noting the shortcomings in the selection process, the refused to grant stay keeping in view the timelines for the upcoming 18th General Elections for the Lok Sabha.

Next date of hearing: Dates of the next hearing not available on the Supreme Court website at the time of going to print.

V. Intervention application in Ashwini Kumar Upadhyaya vs. Union of India and others; Matter relating to disqualification of candidates on charges framed, W.P (C) 1142/2020:

Summary: This intervention application has been filed by ADR in the Supreme Court with a sole objective to decriminalize Indian political system which is severely infested with tainted legislators by disqualifying such candidates from contesting elections against whom charges have been framed for serious offences.

Current Status: On 3rd November 2023, the Union of India asked for more time to file their response. Four weeks' time was granted to them. Since then, the matter is getting adjourned.

Next date of hearing: Dates of the next hearing not available on the Supreme Court website at the time of going to print.

B) Landmark Judgments:

I. Supreme Court Judgment in a petition challenging Finance Act, 2017; Electoral Bonds and Removal of company's limit to donate: W.P (C) 880/2017:

Summary: On 15th February 2024, a five-judge Constitution Bench of the Supreme Court of India in a petition filed by Association for Democratic Reforms (ADR) gave a landmark judgment holding the anonymous, unregulated and unlimited funding through electoral bonds and companies as unconstitutional. The court relied on the fact that such a system of political funding which is completely anonymous, unchecked and unlimited goes against the basic principles of citizen's Right to know under Article 19(1)(a) of the Constitution and free and fair election and therefore the amendments brought through the Finance Act, 2017 and passed as Money bill to Section 29C of RP Act, 1951, Sections 181 & 183(3) of the Companies Act, 2013, Section 13A(b) of the Income Tax Act, 1961 were struck down as being violative of the Constitution. The court observed the principle that the citizens have a duty to hold the government of the day accountable for their actions and inactions, and they can effectively fulfil this duty only if the government is open and not clothed in secrecy.

II. Follow-up Action in the Petition challenging Finance Act, 2017; Electoral Bonds and Removal of company's limit to donate: W.P (C) 880/2017:

Summary: On 7th March 2024, ADR filed a contempt petition in the Supreme Court seeking initiation of contempt proceedings against State Bank of India for wilfully and deliberately disobeying the Supreme Court directions dated 15th February 2024 wherein the court had directed SBI to submit details of the contribution made to the political parties through Electoral Bonds to the Election Commission of India (ECI) by 06th March 2024.

On 11th March 2024, the Supreme Court dismissed SBI's application seeking an extension of time until 30th June 2024 for complying with the directions. The application was filed by SBI two days before the expiry of the deadline of furnishing of the data relating to electoral bonds i.e., 04th March 2024. In its order dated 11th March 2024, the Supreme Court while rejecting their request directed SBI to disclose the details by the close of business hours on 12th March 2024 and further directed SBI to file an affidavit of its Chairman and Managing

Director upon compliance with the directions. The court also directed ECI to compile the information and publish the details on its official website no later than 5 PM on 15th March 2024.

III. Supreme Court Judgment in a petition seeking direction for counting of 100% VVPATs in all EVMS W.P (C)434/2023:

Summary: On **14th March 2023**, ADR filed a petition in the Supreme Court asking for counting of 100% VVPATs in the EVMs. The petition stated that in order to have the fullest transparency in the system and to restore the confidence of the voters' paper trail is an indispensable requirement of free and fair elections, and therefore, ECI should be directed to introduce Voter Verifiable Paper Audit Trail ('VVPAT') in all EVMs.

On **26th April 2024**, a two Judges' Bench of the Supreme Court refused ADR's prayer for counting of 100% VVPATs in all EVMs. However, to strengthen the integrity of the electoral process the following directions were issued by the Bench:

- On completion of the symbol loading process in the VVPATs undertaken on or after 01.05.2024, the symbol loading units shall be sealed and secured in a container. The candidates or their representatives shall sign the seal. The sealed containers, containing the symbol loading units, shall be kept in the strong room along with the EVMs at least for a period of 45 days post the declaration of results. They shall be opened, examined and dealt with as in the case of EVMs.
- The burnt memory/microcontroller in 5% of the EVMs, that is, the control unit, ballot unit and the VVPAT, per assembly constituency/assembly segment of a parliamentary constituency shall be checked and verified by the team of engineers from the manufacturers of the EVMs, post the announcement of the results, for any tampering or modification, on a written request made by candidates who are at Sl.No.2 or Sl. No.3, behind the highest polled candidate. Such candidates or their representatives shall identify the EVMs by the polling station or serial number. All the candidates and their representatives shall have an option to remain present at the time of verification. Such a request should be made within a period of 7 days from the date of declaration of the result. The District Election Officer, in consultation with the team of engineers, shall certify the authenticity/intactness of the burnt memory/ microcontroller after the verification process is conducted. The actual cost or expenses for the said verification will be notified by the ECI, and the candidate making the said request will pay for such expenses. The expenses will be refunded, in case the EVM is found to be tampered.

C) Letters to the Election Commission of India and High-Level Committee:

I. ADR's Letter to ECI: Request for an immediate action against political parties and their office bearers for wilful disobedience and blatant disregard of the lawful directions of the Election Commission of India issued in pursuance to the Supreme Court judgments in (2019) 3 SCC 224 and 2014 (3) SCALE 563:

On 19th June 2023, ADR filed an application before the Election Commission of India against political parties regarding the wilful disobedience and violation of the mandatory directions of this Commission issued in pursuance of the Hon'ble Supreme Court's directions dated 25th September 2018 and 13th February 2020 passed in *Rambabu Singh Thakur Vs. Sunil Arora and others*, (2019) 3 SCC224 wherein the court had directed political parties to list out reasons on their website including their social media platforms for nominating candidates with criminal background within 72 hours of the selection of such candidates. The application filed by ADR had sought strict action to be initiated against the defaulting political parties which had contested 2023 Assembly Elections held in Tripura, Meghalaya, Nagaland and Karnataka, 2022 Assembly elections held in Gujarat, Himachal Pradesh, Uttar Pradesh, Uttarakhand, Goa, Manipur and Punjab and 2021 Assembly Elections held in the States of West Bengal, Tamil Nadu, Kerala, Assam and UT of Puducherry. The application stated that in spite of the repeated requests and reminders given by the Hon'ble Supreme Court and other main stakeholders, political parties had completely failed to follow the aforementioned directions during the Assembly Elections held in the years 2023, 2022, and 2021. The application revealed major shortcomings in the implementation of the SC directions such as non-functional or inaccessible website, dysfunctional website tabs, language barriers, copy-pasting of the same reasons for different candidates, justifying fielding of tainted candidates with unfounded and baseless reasons like chances of winning, popularity of the person, good social work, offences not being grave in nature, politically motivated cases, repetition of reasons, etc. This application was filed before the ECI as per the directions of the Supreme Court dated 17th March 2023.

II. ADR's Letter to ECI: Reminder letter requesting immediate action against political parties and their office bearers for wilful disobedience and blatant disregard of the lawful directions of the Election Commission of India issued in pursuance to the Supreme Court judgments in (2019) 3 SCC 224 and 2014 (3) SCALE 563 during the Assembly Elections held in the years 2023, 2022 and 2021:

On **28th November 2023**, ADR sent a **reminder letter to the Election Commission of India** on the issue of '**publication of criminal cases against candidates selected by political parties along with reasons for such selection**'. The letter was sent to the ECI during the 2023 State Assembly elections held in the States of **Chhattisgarh, Madhya Pradesh, Mizoram, Rajasthan and Telangana**. The letter also stated that no response regarding any action taken by the Commission nor any acknowledgment of the application filed by ADR was received with respect to its earlier letter on the similar issue during the 2021, 2022 and 2023 State Assembly elections. The letter stated there was a high possibility of complete disregard and violation of the directions dated 25th September, 2018 and 13th February, 2020 by political parties during the November, 2023 Assembly elections by not only giving tickets to the candidates with criminal background but also without paying any heed towards giving concrete reasons for choosing such tainted candidates instead of honest, credible and worthy candidates. Through its letter, ADR had requested the Election Commission to follow directions of the Supreme Court in its letter and spirit by taking immediate and concrete steps so as to ensure that political parties contesting elections not only publish correct and useful details about candidates selected by them but in doing so parties are also forced to select credible and honest candidates due to necessary public glare because of the availability as well as accessibility of such crucial background information about criminal antecedents amongst voters.

III. Request for an immediate action against political parties and their office bearers for willful disobedience and blatant disregard of the lawful directions of the Election Commission of India issued in pursuance to the Supreme Court judgments in (2019) 3 SCC 224 and 2014 (3) SCALE 563 in the light of discrepancies found in Forms C7 and C8 during Gujarat State Assembly Elections 2022:

On **08th January 2024**, ADR along with **Mahiti Adhikar Gujarat Pahel** wrote a letter to the Election Commission of India requesting an immediate action against political parties and their office bearers for the blatant disregard of the lawful directions of the Election Commission of India issued in pursuance to the Supreme Court judgments in (2019) 3 SCC 224 and 2014 (3) SCALE 563 in the light of discrepancies found in Forms C7 and C8 during Gujarat State Assembly Elections 2022. The letter highlighted the serious discrepancies while publishing Form C7 and C8 by political parties and candidates. To name a few publishing of Form C7 in English language only and not in the vernacular language depriving lakhs of voters from crucial background information about the candidates, unfounded reasons while fielding candidates with criminal background,

smaller font size, lack of wide publicity as stipulated in the judgment, disparity and ambiguity in publishing of Form C7, no mechanism of cross verification of Form C7 and lack of compliance of the Supreme Court judgment.

IV. Comments from Association for Democratic Reforms (ADR), New Delhi to the High-Level Committee – One Nation, One Election:

On **15-01-2024**, ADR made a **submission** before the **Secretary of the High-Level Committee on ‘One Nation One Election’** on the views submitted by Department related- Parliamentary Standing Committee on Personnel, Public Grievances, Law and Justice, Election Commission of India and Niti Ayog. Through its submission, ADR highlighted the substantial issue of voting behaviour in case of simultaneous elections for Lok Sabha and State Assembly elections at the same time where there is a strong tendency for voters to vote for the same political party for both Legislatures. The letter also made a strong case for the Local Body Elections where the Local Bodies are invariably dropped from the discourse. The letter not only stated that simultaneous elections divert attention from local issues to national issues but also highlighted the logistical challenges in holding such elections. Simultaneous elections will also require substantial amendments to the Constitution which will lead to the violation of Basic Structure of the Constitution which has been held to be inviolable by the Supreme Court.

Activities on Advocacy, Networking & Voter Awareness

ADR organized several voter awareness activities, press conferences, and panel discussions along with social media campaigns. Many informative articles were also written by in-house researchers; these were published in reputed newspapers and magazines. For around 25 years, ADR has associated with several state partners and eminent personalities who continue to collaborate with ADR for various campaign activities such as meetings, workshops, seminars, and outdoor campaigns to make voters aware of the criminal, financial, and other background details of contesting candidates and help citizens make an informed choice.

16th Annual National Conference

3. ADR's Forum on "General Elections 2024: Issues, Challenges & Opportunities"

ADR and National Election Watch organised a Forum on "General Elections 2024: Issues, Challenges & Opportunities" on 10th March 2024 at India International Centre, New Delhi. The event had two sessions.

Reasons for the petition

- The petitioners said that voters would not know who funded whom
- This information was important in a democracy
- Article 32 of the Indian Constitution gives the right to every citizen to seek constitutional remedy from the Supreme Court, when they have been deprived of their fundamental rights.
- Specifically, Article 19(1)(a), is about the fundamental right to information. The Electoral Bonds Scheme violated this right
- Technically, provisions of the Finance Act 2017 which amended provisions of the RBI Act 1934, the RP Act 1951, the IT Act 1961, and Companies Act 2013 were also challenged.

6. Hum Badlenge Apna Bharat, an ADR Youth Outreach Programme

To motivate, inform and involve youth in the political & electoral reforms processes, ADR initiated a Youth Outreach programme called **Hum Badlenge Apna Bharat (HBAB)** in FY 2016-17. The programme aims to educate Indian youths of the challenges faced by Indian Democracy today. With the support of our State Coordinators, we are committed to taking this programme to the maximum number of youths across the country.

i. Organize workshops/talks/lectures

ADR organises workshops in colleges where important points such as **Criminalization of Politics, Expenditure on Election Campaigns, Functioning of Political Parties and Role of Youth in Strengthening Democracy** are highlighted. On the request of colleges and schools, ADR also organises a topic-centric workshop. The workshop trainers use videos, audio, quiz papers and other interactive materials to engage with the youth. The table below shows details of events conducted under this programme in FY 2023-24:

ii. Campus Ambassador Programme

Campus Ambassador Programme, an ADR Youth Outreach Programme, aims to engage with college youth on issues related to Indian democracy and involve them proactively in organizing events. The selected Campus Ambassadors are apprised about the issues ADR is working on and their roles and responsibilities as ADR campus representative. These Ambassadors later hold various programmes in their colleges to spread awareness about the issues ADR is fighting for. All the activities are approved, sponsored, assisted & supervised by the ADR Team. The table below shows the details of the events organised by Campus Ambassadors in FY 2023-24:

7. Crowdfunding Campaign

ADR ran a crowdfunding campaign from September 2023 to March 2024 to generate funds for the National Election Watch voter awareness activities for the 2024 Lok Sabha Elections. The overwhelming support of concerned citizens of India helped us achieve the target amount. Link: <https://adrindia.org/content/adr-donation-campaign>

Donation plea by Prof Jagdeep Chhokar (Founder Member & Trustee of ADR):

8. Voter Awareness Campaigns

Ahead of **Karnataka, Chhattisgarh, Madhya Pradesh, Mizoram, Rajasthan, and Telangana Assembly Elections 2023**, ADR used various mediums to encourage people to vote for candidates with clean images. Various creative and engaging videos, posters, pamphlets, and brochures were designed to educate the people about the importance of Informed and Ethical Voting, Issue of Criminality etc., were disseminated via various mediums during the elections.

- **Videos:**

For Chhattisgarh, Madhya Pradesh, Rajasthan, and Telangana Assembly Elections 2023, old celebrity videos urging the voters to be informed voters were updated and shared over social media platforms. Link: <https://bit.ly/3W7iKQa>

West Bengal Election Watch also launched a campaign song in Bengali for voter awareness. This song was played at all the campaigns and also at public places in the rural areas for generating mass awareness among the voters. The song is about motivating the voters to cast their vote freely and how to choose their ideal representative. The song also describes how an ideal candidate should be, and the qualities that the candidate should possess. Song link: <https://bit.ly/3Sdonv4>

- **Media Collaborations:** ADR collaborated with **media houses** to disseminate and display ADR's reports and details of candidates contesting elections via media houses' websites with ADR's logo and name. **ADR also shared data with Vote ki Awaaz to promote informed voting in Telangana.** The data was shared via Application Program Interfaces (APIs) with the following media houses.

Assembly elections to Madhya Pradesh, November/December 2023:

- i. **Review of Electoral Literacy Club (ELC) Resources Material:** The Election Commission of India has taken a proactive step by creating educational materials to promote electoral literacy through Electoral Literacy Clubs (ELCs). These clubs are intended to be established within schools, specifically targeting students in classes 9 to 12, and also within colleges. The goal is to foster a better understanding of the electoral process among young citizens.
The review of the resource materials and the activities associated with the ELCs involved engaging in discussions with numerous stakeholders, including members and leaders responsible for overseeing ELCs in urban and rural areas. A detailed note containing feedback, recommendations, and insights into areas where improvements can be made to enhance the effectiveness of these clubs was prepared.
- ii. **Volunteer Drive:** The primary goal was to recruit volunteers, who are passionate about addressing voting issues and increasing voter engagement. MP Election Watch (MP EW) reached out to college groups and organizations, such as student clubs, political science departments, and NSS. MP EW organized small group discussions to discuss, and highlight the significance of the voting issues and explain how volunteers can contribute.
- iii. **Awareness Regarding Voter ID Card:** The objective was to increase awareness among the youth in Madhya Pradesh about the importance of obtaining a Voter ID card. The initiative was in line with the guidelines set by the Chief Electoral Officer (CEO) of Madhya Pradesh. The campaign included a series of posts, videos, infographics, and other content designed to educate and inform young people about the significance of having a Voter ID card, especially via social media platforms.

An essential part of this initiative was connecting directly with Booth Level Officers (BLOs). The engagement of BLOs helped in registration camps in local communities or colleges, or providing contact information for BLOs, so that, interested individuals could reach out for assistance.

iv. Flash Mobs: From 16th-20th August 2023, MP EW trained 30 volunteers from different colleges.

a. Flash Mob at DB Mall on 27th August 2023: The flash mob in the mall successfully reached approximately 1000 people. It was performed by 25 participants.

b. Flash Mob at Markets on 27th August 2023: Engaging in Flash mobs in markets helped MPEW reach out to approx. 800 people. It was performed by 25 participants.

c. Flash Mob at Democracy Carnival: This unique carnival of democracy was organized by the Madhya Pradesh Election Commission in Bhopal to promote voter awareness. 30 MP EW volunteers organised various cultural activities and a flash mob. They wore different costumes representing diverse communities of the state and tried to convey the message of impartial and ethical voting. They also conveyed the message of ensuring active participation in democracy and reached out to 2000 people.

v. Street Plays at Multiple Locations: Different teams of young students participated in street plays at multiple locations in Bhopal on the theme of **“Use of Money and Muscle Power in Elections”**. These performances were primarily made in the low voting percentages areas as well as crowded places consisting district bus stands, railway stations, malls, markets and other crowd-gathering places within the city.

vi. Awareness Via Cartoon Characters and Multimedia Van (02nd November 2023):

To accelerate the awareness campaign, MP EW designed a unique multi-media van consisting of multiple messages and information related to voting and others. The multimedia van travelled throughout the city to create awareness while playing songs related to voting awareness and elections. In this activity, they included cartoon characters such as *Motu-Patlu*, *Tom-Jerry* and *Chhota Bheem*. The characters worked in different sections of society such as communities, youth, senior citizens and covered multiple urban areas as well as rural areas. These characters portrayed the “Use of Muscle and Money Power in Elections” and enriched the electoral literacy among communities. Via this activity, MP EW reached out to 200 persons.

vii. Ludo at Cafeterias: To engage first time voters and youth with the process of elections and create voter awareness, MPEW, ADR, and Youngshala with District Panchayat Bhopal innovated a ludo board game which promoted ethical voting. It included multiple processes, such as the process of making a voter ID card voting and others. This activity was conducted at the Bhopal School of Social Sciences and the Institute for Excellence in Higher Education colleges.

viii. Competitions at Multiple Colleges: Multiple competitions such as Rangoli, Poster Making, Face Painting, Essay, and Slogan Writing were organised to promote creativity, artistic expression, and awareness of a crucial societal issue- "Money and Muscle Power in Elections". In these competitions, more than 100 students participated from different colleges of Bhopal.

ix. Gigantic Rangoli to Awaken the Sense of Responsibility Towards Democracy:

On 15th November 2023, the message of 100 percent voting and inclusive voting was conveyed by a huge 400-square-foot rangoli created by five artists from Bhopal. They used 40 kg of colours and 4 hours of hard work to complete their work. Along with this, it provided information about what kind of arrangements have been made for different categories at the polling stations, such as arrangement of wheelchairs, ramps, etc. for disabled people and elderly people, and information regarding how to file complaints on the C-VIGIL app in any kind of irregularities during or before voting. This rangoli was made under the joint aegis of ADR, Collector Bhopal, and District Election Officer.

x. Snakes and Ladders Game: To create awareness on ethical voting, Snakes and Ladder board game of substantial 10x10 feet and visually striking was developed. This size ensures that participants can immerse themselves in the game and absorb the

ethical voting messages it conveys. Snakes represent unethical voting practices, such as voter suppression or bribery, while ladders depict ethical actions, like informed voting or participating in discussions on candidates' policies. To reach the finish line located at the highest number on the board, a player rolls dice or spin a wheel to navigate through the grid. Facilitators or educators posed questions or scenarios related to voting ethics, fostering valuable conversations and critical thinking.

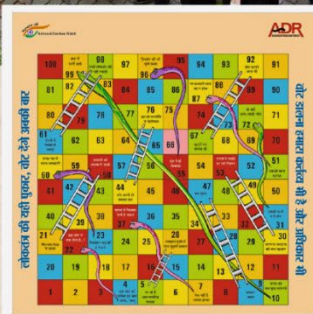

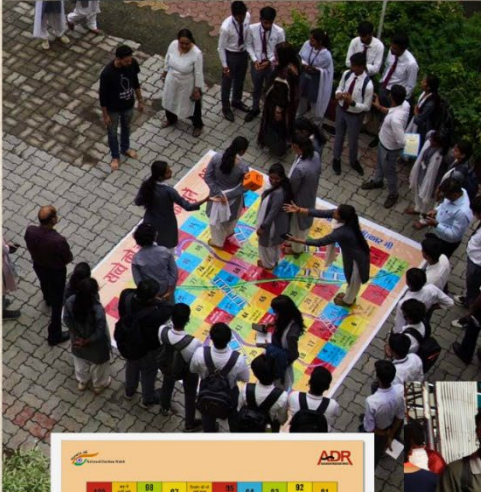

MP EW conducted multiple game cum discussion sessions at different colleges of Bhopal namely: Shyama Prasad Mukherjee Science and Commerce College, Govt Arts and Commerce (Naveen) College, Govt Geetanjali Girls College, Govt Maharani Laxmibai Girls College, Institute for Excellence in Higher Education, Carrier College and Bhopal School of Social Sciences. More than 300 students participated in this game cum discussion session.

xi. Activities in Betul district

- a. Meeting with Betul District officials:** In the targeted Betul district, a crucial meeting was convened with the district officials to discuss and strategize for the voter awareness campaign.
- b. Acquiring Volunteers in Betul:** After securing the support of college principals, the organizers proceeded to engage with college students. This involved giving presentations or workshops to students, explaining the volunteer opportunities available, and encouraging them to participate. MP EW successfully recruited 50 volunteers to support the campaign in Betul.
- c. Flash Mob in Betul (11th-12th September 2023):** To promote ethical voting and raise awareness about the importance of participating in democratic processes, three flash mobs were organized in key public locations – the bus stand, railway station, and stadium. These flash mobs aimed to engage and educate the local population, ultimately reaching around 800 people in total. The success of this event was made possible through a collaborative effort between community and the District Administration. Alongside the performances, participants held up play cards with compelling messages related to ethical voting. It was organised by 40 participants.
- d. Organizing Gondli Performances in Betul (1st-14th November 2023):** Under the joint initiative of ADR and District Administration Betul, Gondli performance was organised to create voter awareness. The Gondali is an art form of tribal community in which they earn their living by roaming around in the rural areas and singing bhajans. Via these songs, the people of Betul were motivated to be informed voters.

- e. **Bhajan Competition to Strengthen the Idea of Ethical Voting in Betul:** A unique Bhajan Competition was organized to promote voter awareness among communities in the interior rural areas of Betul district of MP. This program took place in several villages and panchayats of Betul district. Around 10 villages and 5 panchayats participated in this competition. Along with this, MP EW visited houses in the areas with low voter turnout and gave them invitation cards requesting them to vote.
- f. **Bailgadi/Bullock Cart Rally for Election Awareness in Rural Communities:** On 09th November 2023 to promote informed voting in many rural areas of Betul, MPEW organised bailgadi/ bullock cart rally.
- g. **Cycle Rally:** On 03rd November 2023, MP EW organised a cycle rally called **Pedalling for Democracy**. This cycle rally emerged as a powerful tool for promoting voter awareness and electoral literacy among people from various demographics. MP EW tried to bring school & college students, civil society groups, and individuals from different communities to ride through different areas, raising awareness about the importance of voting and civic engagement.
- h. **Mashal Rally/ Lighting the Flame of Voter Awareness:** On 01st November 2023, a Mashal rally was organised to create voter awareness and encourage 100% voting in the rural areas of Betul. The program was held in Gram Panchayat Pipariya of Betul district. In the rally members from the local panchayat body, Anganwadi workers, Asha workers, and others participated.
- i. **Snake Ladder Game in Betul:** A snake ladder on voter awareness was also organised in Betul.
- xii. **Activities in Sagar & Balaghat:** Through different activities, MP EW to strengthen civic engagement for healthy and positive democracy by advocating people's active participation in elections.

Odisha Election Watch

- **Rajasthan Election Watch**

❖ **Janmanch (Forums):** Ahead of the 2023 Assembly Elections, Rajasthan Election Watch, along with local organisations, organised Janmanch (forums) in Bharatpur, Kota, Ajmer, Bhilwara, Rajsamand, and Beawar districts to remind common voters and parties of their responsibilities. Hundreds of men and women participated in these forums, showing great enthusiasm regarding the elections. All citizens were encouraged to contribute to the local issues for inclusion in the public manifestos, including water, employment, land rights, pensions, education, accountable laws, and more.

❖ **Initiatives and future plans:** Rajasthan Election Watch conveyed to upcoming voters that this time, before the release of political parties' manifestos, they would present the public manifesto to political parties, emphasising the acknowledgment of public sentiments in their election manifestos, stressing unity in society, creating plans for the benefit of the poor, and increasing public participation. During these forums, rural men and women decided to organise local-level meetings in their respective areas and agreed to support meritorious candidates who aligned with public manifestos. They pledged to motivate everyone to vote for genuine and good candidates.

It was decided, at the end of each district forum, to form local-level Election Watch Committees for election monitoring and to ensure strict adherence to the Model Code of Conduct during elections.

More than 10,000 leaflets were distributed across Rajasthan, conveying messages about choosing genuine and good candidates to millions of voters.

Information Technology

About: Along the years, ADR has expanded its Information Technology to streamline its data analysis and multiplied its communication initiatives by incorporating cutting-edge technologies to not only disseminate the information, but also to establish a broad base for the outreach on the ground.

Activities of the IT Team:

1. **Application Program Interfaces (APIs):** Ahead of every State Assembly Elections, ADR generates APIs for media houses/organisations for the dissemination of data related to the candidates' background in a secure and reliable manner. These APIs are used for querying candidates' information from a constituency of interest. Apart from their research, media houses display the details of the candidates on their websites in engaging ways to draw the attention of the voters, hence, facilitating our aim of encouraging citizens to be informed voters.
2. **Exclusive Webpages for State Assembly Elections 2024 and Lok Sabha Elections 2024:** For all the State Assembly Elections in 2024 and Lok Sabha Elections 2024, dedicated webpages were created to list the related reports:
 - i. **Andhra Pradesh Assembly Elections 2024:** <https://adrindia.org/content/andhra-pradesh-elections-2024>
 - ii. **Arunachal Pradesh Assembly Elections 2024:** <https://adrindia.org/content/aranachal-pradesh-elections-2024>

3. New Section: Publications Using ADR Datasets:

A new section on adrindia.org titled "Publications Using ADR Datasets" has been added. This section includes various publications, reports, judgments, and orders that utilize any of our datasets or cite ADR's work, data, or legal interventions.

4. Server Monitoring and Maintenance:

- Monitoring server performance, uptime, and health.
- Applying software updates, patches, and security updates.
- Performing regular backups and ensuring data recovery processes are in place.

5. User Management:

- Managing user accounts and permissions
- Monitoring user activity to ensure compliance with security requirements

6. Security Management:

- Conducting regular security audits and vulnerability assessments.
- Implement security best practices such as input validation, encryption, and secure authentication mechanisms.

7. Server Configuration and Deployment:

- Installing and configuring new virtual servers
- Managing server roles and services (e.g., web servers, database servers, mail servers)

8. Disaster Recovery Planning:

- Developing and maintaining disaster recovery plans
- Performing regular disaster recovery tests to ensure systems can be restored in the event of a failure

9. Capacity Planning:

- Assessing current server capacity and planning for future growth.

10. Automation and Scripting:

- Developing and maintaining scripts to automate routine tasks and improve efficiency

11. Design and Architecture:

- Design the overall architecture of the application, including database schema, user interface, and backend logic.

12. Programming and Development:

- Write code in programming languages (e.g., php, JQuery, JavaScript) to implement application features and functionality.

13. Testing and Debugging:

- Conduct integration testing to ensure different modules work together seamlessly.
- Debug and troubleshoot issues found during testing phases.

14. Version Control and Collaboration:

- Use version control systems (e.g., Git) to manage codebase changes.
- Code review to ensure code quality and adherence to coding standards.

15. Performance Optimisation:

- Monitoring resource usage and ensuring efficient allocation of resources
- Identify and address performance bottlenecks in the application code
- Optimize database queries, caching mechanisms, and frontend rendering for improved performance

16. API Design and Development:

- Design and develop RESTful APIs to provide access to application functionality to external systems
- Define endpoints, request/response formats, authentication mechanisms

Our Achievements

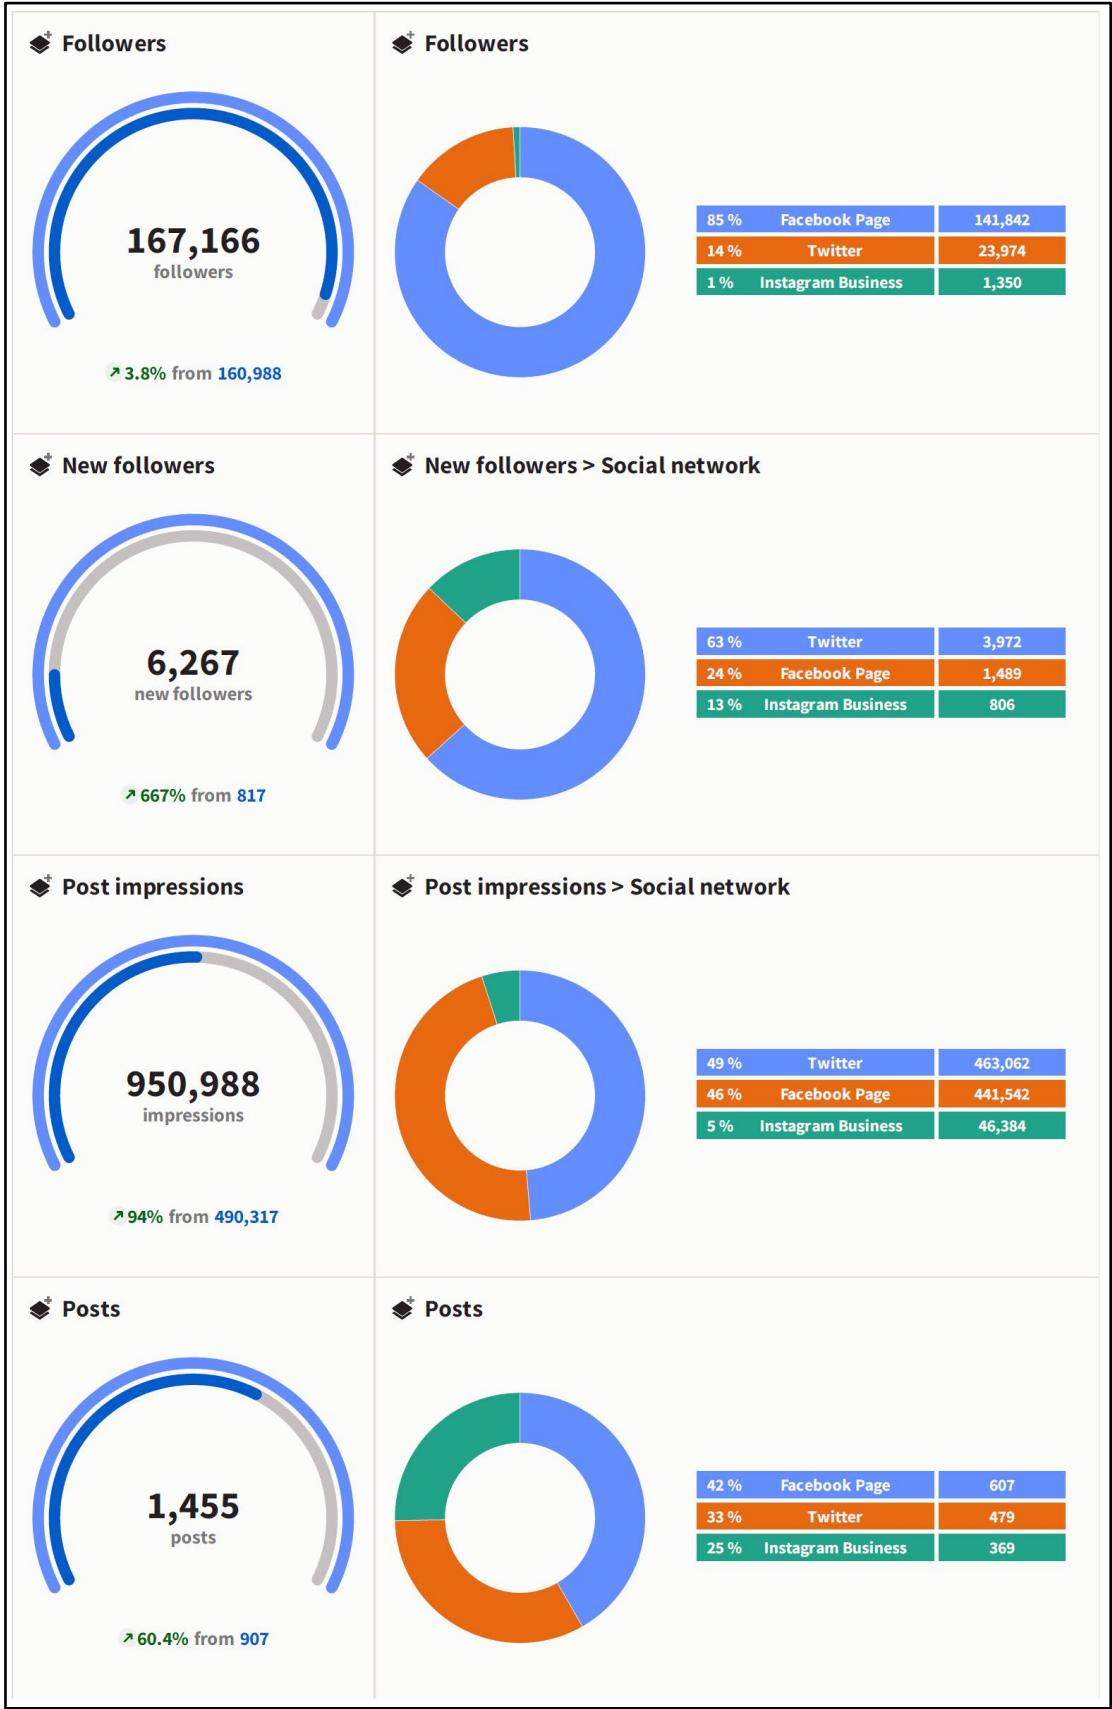

- **Landmark judgment of the Supreme Court in ADR's petition challenging Finance Act, 2017; Electoral Bonds and Removal of company's limit to donate: W.P (C) 880/2017:** On 15th February 2024, a five-judge Constitution Bench of the Supreme Court of India in a petition filed by ADR gave a landmark judgment holding the anonymous, unregulated and unlimited funding through electoral bonds and companies as unconstitutional. For more information, please visit the Strategic Litigation section of this report.
- **Contempt petition by ADR in the Supreme Court seeking initiation of contempt proceedings against State Bank of India (SBI) for wilfully and deliberately disobeying the Supreme Court directions dated 15th February 2024:** On 11th March 2024, the Supreme Court while rejecting the State Bank of India's request - seeking an extension of time for the disclosure of details of the purchase and redemption of Electoral Bonds until 30th June 2024 - directed SBI to disclose the details by the close of business hours on 12th March 2024 and further directed SBI to file an affidavit of its Chairman and Managing Director upon compliance with the directions. The court also directed ECI to compile the information and publish the details on its official website no later than 5 PM on 15th March 2024.
- **Supreme Court Judgment in a petition seeking direction for counting of 100% VVPATS in all EVMS W.P (C)434/2023:** On 14th March 2023, ADR filed a petition in the Supreme Court asking for counting of 100% VVPATs in the EVMs. The petition stated that in order to have the fullest transparency in the system and to restore the confidence of the voters' paper trail is an indispensable requirement of free and fair elections, and therefore, ECI should be directed to introduce Voter Verifiable Paper Audit Trail ('VVPAT') in all EVMs. On 26th April 2024, a two Judges' Bench of the Supreme Court refused ADR's prayer for counting of 100% VVPATs in all EVMs. However, to strengthen the integrity of the electoral process two directions were issued by the Bench. For more information, please visit the Strategic Litigation section of this report.

- **Re-affirming ADR's mission of bringing transparency in electoral practices:** The Supreme Court of India has listed ADR's PIL on Political Parties under RTI, PIL against amendments in the FCRA separately, PIL on voter discrepancies and mechanism of declaration of election result, PIL challenging the constitutional validity of the new law dealing with the appointment of Members of Election Commission of India, and intervention application on matter related to the disqualification of candidates on charges framed.
- **Appreciation Certificate from Betul and Bhopal District Election Office:** Ms Rolly Shivhare, Madhya Pradesh State Coordinator of ADR, received an Appreciation Certificate from Betul and Bhopal District Election Office on the occasion of National Voters' Day, 25th January 2024, for the outstanding voter awareness campaign conducted during the Madhya Pradesh Assembly Elections 2023. Her initiative spanned across six districts within the state with the support of ADR showcasing a commitment to widespread civic education. A particular focus was placed on engaging with the youth of Madhya Pradesh, emphasizing their crucial role in shaping the democratic process. Through our outreach, we underlined the importance of voting as a fundamental right, coupled with the idea that posing questions about the country's affairs also comes with the responsibility to actively participate by casting a vote. This approach aimed to empower the youth, fostering a sense of duty towards the nation's democratic fabric.
- **Mera Vote Mera Desh Campaign:** ADR along with National Election Watch managed to run a successful nationwide "Mera Vote Mera Desh" voter awareness campaign in several states. **Over 155 online and offline events were organized** in FY 2023-24.
- **Election Watch Reports:** Election Watch released 67 reports, analyzed 10,885 candidates, and covered 50 elections in FY 2023-24.
- **Political Party Watch Reports:** Political Party Watch released 20 reports and analyzed 367 political parties in FY 2023-24.
- **ADR's Media Coverage:** In FY 2023-24, ADR's data was cited/quoted in **over 3011+ by regional, national, and international media**. ADR participated in **53 interviews, debates, and discussions**, which were broadcast on various national and regional news channels.
- **Website Traffic:** The website traffic for users increased during FY 2023-24 by **1,131.1%** with a total of **10 million users** for myneta.info. MyNeta website garnered **10 million new users** during FY 2023-24 which is higher than new users MyNeta website acquired in FY 2022-23 by **1,118.7%**.

Our Supporters

The various activities carried out in FY 2023-24 were made possible through the support of various individuals and organizations. We gratefully acknowledge the financial, material, moral, and technical support of innumerable well-wishers. It would be difficult to list all of them here but even the smallest contribution is deeply appreciated by ADR.

ADR especially acknowledges the donation from the **Lal Family Foundation** and **Mr S. Swaminathan**.

Appeal for Donations to ADR

Dear Supporters,

The present state of electoral politics of India requires organizations like ourselves to scale up their activities and expand reach. Our team is full of new ideas, projects and strategies to reform Indian democracy which will not see the light of the day with the limited resources we have at the moment. We need your help to eradicate corruption and criminalisation in the political process, empower the voters through greater dissemination of information on the candidates and the parties.

The electoral and political reforms we intend to bring demand gradual, unwavering, and long-term efforts. As long as the criminalization of politics, opacity in political party funding, etc., hinder governance and democratic processes, ADR's work as an "Election Watchdog", too, will continue to hold value - leading to measurable impact on electoral politics through insightful data and findings.

The following are the impacts your donation will create:

1. Help ADR to continue its efforts on improving governance in India
2. Expand grassroots-level campaigning
3. Strengthen ADR's MyNeta website and its corresponding Android mobile application
4. Assist ADR in diversifying its data compilation, analysis, and dissemination methods
5. Compile and disseminating new reports by our teams
6. Strengthen ADR's legal advocacy measures

Please note that we are now open to accept donations through stocks, securities, and ESOPs.

For further details, kindly contact us at adr@adrindia.org.

We look forward to your support in making this possible.

Yours sincerely,
