DISCLAIMER

This report is based on information available on the website of Chhattisgarh Legislative Assembly and from the RTI responses received from Chhattisgarh Assembly Secretariat. (<https://www.cgvidhansabha.gov.in/>). Association for Democratic Reforms (ADR) and Chhattisgarh Election Watch filed RTI applications to the Chhattisgarh Assembly Secretariat seeking information about the performance of the MLAs and the Legislative Assembly. All MLAs and Ministers have been covered in this report however, it is worth noting that the data of those who were or are ministers in the current Assembly is not available on the website for their tenure as a minister. It is a common practice that the Speaker, Deputy Speaker, Chief Minister and other ministers usually do not sign the members' attendance register. Since complete data for such functionaries is not available in the public domain, the same has not been recorded in this report.

Please note that ADR does not add or subtract any information, unless the Assembly Secretariat changes the data. In particular, no unverified information from any other source is used. While all efforts have been made to ensure that the information is in keeping with what is available in the Chhattisgarh Legislative Assembly website, in case of discrepancy between information in this report and that given in the Chhattisgarh Legislative Assembly website, the information available from Chhattisgarh Legislative Assembly website should be treated as correct and Association for Democratic Reforms, Chhattisgarh Election Watch and their volunteers are not responsible or liable for any direct, indirect special, or consequential damages, claims, demands, losses of any kind whatsoever, made, claimed, incurred or suffered by any party arising under or relating to the usage of data provided by ADR through this report. ADR undertakes great care and adopts utmost due diligence in analysing and dissemination of the performance report of the MLAs. Such information is only aimed at encouraging *a system of transparency, accountability and good governance and to enable voters to form an informed choice*. Therefore, it is expected that anyone using this report shall undertake due care and utmost precaution while using the data provided by ADR. ADR is not responsible for any *mishandling, discrepancy, inability to understand, misinterpretation or manipulation, distortion of the data* in such a way so as to *benefit or target a particular political party or politician or candidate*.
